7	Proteins I: Poultry & Meat			
8	Proteins II: Fish & Seafood			
9	Baking & Pastry Fundamentals			
10	Global Cuisines: French, Italian, Asian & Latin			
11	Flavor, Seasoning & Menu Development			
12	The Professional Kitchen: Line, Plating & Career			

Signature skills to master before calling yourself kitchen-ready

Mastered	Skill
☐	Knife: consistent dice, julienne, and mince at a safe, steady pace
☐	Build mise en place and clean as you go without thinking about it
☐	Cook a protein to a target temperature, by feel and by thermometer
☐	Make a pan sauce from fond on demand
☐	Produce at least three of the five mother sauces
☐	Cook eggs five ways, including a clean French omelet
☐	Roast a chicken and break one down into eight pieces
☐	Pan-sear fish with crisp skin
☐	Bake bread by weight and make a pie dough
☐	Season a dish to balance using salt, acid, fat, and heat
☐	Plate a composed dish with intention

Mastered	Skill
[]	Time and serve a three-course meal that lands together
